It begins after the agreed end time and must be paid before the extension starts. Changes to date, venue, hours, or scope require written agreement and may change the price. A new date is subject to DJ availability.

05 CANCELLATION & RESCHEDULING

Client must cancel by written notice to DJ's email above. If Client cancels, DJ keeps the booking retainer and refunds other amounts already paid for services not performed within 14 days, unless a signed addendum specifies a reasonable cancellation fee. If DJ cancels for a reason within DJ's control, DJ refunds all payments within 14 days. DJ may suggest a replacement, which Client need not accept. Rescheduling requires written approval of the new date and any price adjustment.

06 VENUE ACCESS, POWER & SAFETY

Client will arrange access, a safe level covered performance space, adequate grounded electrical power, permission for sound during the agreed hours, and a practical load-in route. Client will disclose stairs, outdoor conditions, power limitations, noise rules, and venue restrictions before signing. Client is responsible for event and venue permissions and licenses required of the organizer or venue; DJ is responsible for licenses required of DJ's business.

For an outdoor event, Client will provide protection from weather and unsafe electrical conditions. DJ may pause or stop for lightning, severe weather, unsafe power, threats, or interference that makes performance unsafe. When safe, DJ will allow a reasonable chance to fix a correctable issue. No one may handle DJ equipment without permission. Client is responsible for direct loss or damage to it caused by Client, guests, or vendors, excluding ordinary wear and DJ's own fault.

07 EVENTS BEYOND EITHER PARTY'S CONTROL

If performance is prevented by circumstances beyond a party's reasonable control, including severe weather, government orders, major utility outages, or serious illness, the parties will promptly discuss a new date. If none is agreed within 30 days, DJ refunds payments for services not performed less documented, nonrecoverable event-specific expenses disclosed to Client. Neither party owes consequential damages for such interruption. Avoidable scheduling conflicts and nonpayment are not excused.

08 PHOTOGRAPHY, VIDEO & MUSIC RIGHTS

DJ may take brief photos or video of the setup and performance for promotional use only if Client chooses Yes below. DJ will respect venue rules and will not knowingly feature minors without parent or guardian permission. Client is responsible for permissions required for Client's own filming, streaming, broadcasting, or posting. This agreement does not grant a license to record or distribute copyrighted music.

Promotional photo/video consent: ☐ Yes ☐ No

09 RESPONSIBILITY & LIMITS

Each party is responsible for losses caused by its own negligence or breach. To the extent permitted by law, DJ's liability under this agreement is limited to the amount Client paid under it, except for intentional misconduct or liability that cannot legally be limited. Neither party is responsible for indirect or consequential losses. These limits do not reduce Client's duty to pay agreed fees or responsibility for equipment damage under Section 6.

10 GENERAL TERMS

Notices may be emailed to the addresses above and take effect when received. This agreement and signed addenda are the complete agreement. Changes must be accepted in writing by both parties, including electronic signatures or email confirmation where permitted by law. An unenforceable clause does not affect the others.
