2. PURPOSE OF THIS AGREEMENT

This agreement applies only to DJ mixes submitted for consideration, scheduling, broadcast, replay, and related promotion on KVMJ Charlotte Hott Radio. It does not cover podcasts. Acceptance of a submission does not guarantee broadcast unless KVMJ confirms the mix for programming in writing.

3. WHAT KVMJ OFFERS DJs

- Consideration for featured DJ-mix airtime during KVMJ programming and special mix-show windows.
- A confirmed broadcast date/time when the mix is accepted and scheduled.
- Station identification and DJ credit using the DJ/stage name and mix title supplied by the DJ.
- Potential replay opportunities at KVMJ's discretion or as stated in the selected promotional package.
- Promotional support may include a station flyer, social-media post, website placement, DJ bio, links, and/or station shout-out when included in the selected package.
- Opportunity to build visibility with KVMJ's domestic and international digital audience.

4. MIX SUBMISSION REQUIREMENTS

- Broadcast-ready audio file: MP3 or WAV preferred, with clear sound and consistent volume.
- DJ must provide: mix title, DJ/stage name, cover art or approved photo, genre(s), short bio, and current social/music links when promotional placement is included.
- DJ must disclose whether the mix is CLEAN, EXPLICIT, or contains edited/uncensored material. KVMJ may require a clean version for a specific programming slot.
- No unauthorized station IDs, misleading sponsorship claims, defamatory material, or content that violates applicable law.
- KVMJ may request reasonable technical corrections before scheduling a mix.

5. MUSIC RIGHTS & DJ AUTHORIZATION

The DJ represents that they have the right to submit the mix and authorize KVMJ to transmit it as contemplated by this agreement. The DJ retains ownership of the DJ's original branding, artwork, voice drops, and original material. This agreement does not transfer ownership of the mix to KVMJ.

Limited promotional license. The DJ grants KVMJ a non-exclusive, limited license during the campaign/broadcast period to use the DJ's approved name, image, logo, artwork, bio, links, excerpts, and promotional materials solely to schedule, identify, advertise, and promote the submitted mix and KVMJ's related programming.

6. EDITORIAL & PROGRAMMING CONTROL

KVMJ retains final programming control, including acceptance, air date/time, replay placement, and removal from rotation. KVMJ may decline or remove a mix for technical, legal, branding, scheduling, or programming reasons. Material changes to a confirmed paid campaign will be communicated to the DJ.

8. PAYMENT, CANCELLATION & RESCHEDULING

- Payment is due according to the invoice/order form. KVMJ is not required to begin a paid promotional campaign before required payment is received.
- Unless a different cancellation term is written on the order form, a DJ may cancel in writing before KVMJ begins the paid promotional work. Once custom creative work, website placement, social promotion, or a confirmed broadcast campaign has begun, fees for work already performed are non-refundable.
- If KVMJ must reschedule a confirmed broadcast for station programming or technical reasons, KVMJ will provide a reasonable replacement air date/time or another mutually agreed remedy for the affected paid service.
- Missed deadlines by the DJ - including late audio, artwork, bio, links, or approvals - may delay the campaign without extending other scheduled deliverables unless KVMJ agrees in writing.

9. PROMOTIONAL MATERIALS & APPROVALS

DJ-supplied information must be accurate. The DJ is responsible for providing final names, spelling, links, artwork, event information, and approved images. KVMJ may make reasonable formatting edits for station branding. Material changes to DJ-provided factual content should be approved by the DJ before publication when practical.

10. NO GUARANTEE OF RESULTS

KVMJ provides broadcast and promotional services, not guaranteed outcomes. KVMJ does not guarantee a specific number of streams, followers, bookings, sales, chart placements, record-label interest, or other commercial results.

11. INDEMNITY & LIMITATION

Each party is responsible for its own acts and materials. The DJ agrees to be responsible for claims arising from materials the DJ supplies or rights the DJ represents having. KVMJ is responsible for its own unauthorized use of DJ materials outside the permission granted by this agreement. Neither party is liable to the other for indirect or consequential damages to the extent permitted by law.

12. TERM, AMENDMENTS & ENTIRE AGREEMENT

The campaign term begins on the date stated on the selected order/invoice or confirmed broadcast schedule and ends when the agreed services are completed. Any material change must be agreed to in writing. This agreement, together with the selected package/order form and invoice, contains the parties' agreement for the submitted DJ mix.
